this morning

There is no one here at the

of. You and you only  
Please don't work hard  
for the harder a person works the  
harder he is expected to work  
we would have meant to

 was so dirty and black  
 I was ashamed of my self  
 but couldn't help it could  
 I honey? don't forget  
 there is better times a coming  
 By and by I only hope so.  
 I was just talking with Carl  
 he said that the lawyer  
 he had to fix those makers

said that he <sup>III</sup> thought that  
I would get exampes all right  
well honey it is ten oclock and  
george is here with me in the sty  
I wish it were you guess you are  
sleeping by this time  
oh say honey I felt fine all day  
today I always do after I see  
you the night before intell I  
think of you no what -

well honey I <sup>III</sup> just had my  
breakfast and will try and  
finish your letter I got

sorry for what I said last  
night I will find the house

will hear my whistle at 9.15
